The 2008 SPA provides that in the event that the Issuer proposes to issue any new shares of Common Stock, any shares convertible into or exchangeable into Common Stock or any warrants or other rights to subscribe for Common Stock of the Issuer following the 2008 Subscription, Datang shall have the pre-emptive right to purchase equity securities of the Issuer to enable Datang to hold after such issuance a pro rata portion of the Common Stock equal to the percentage of the issued share capital of the Issuer then beneficially owned by Datang prior to such issuance. On August 22, 2014, the Issuer, Datang and HKCo entered into a supplemental agreement (the “**2014 Supplemental Agreement**”) to amend the pre-emptive rights provisions in the 2008 SPA. Pursuant to the 2014 Supplemental Agreement, the pro rata portion of relevant securities that Datang or HKCo is entitled to subscribe will be determined in accordance with the percentage of the issued share capital of the Issuer then beneficially owned by Datang (together with the HKCo) immediately prior to the Issuer’s entry into the agreement or agreements for the transaction involving the issuance of such relevant securities, provided that Datang and HKCo maintain an ownership interest equal to at least 1,849,547,150 shares of Common Stock (as appropriately adjusted for stock splits, stock consolidation, stock dividends, recapitalizations and the like) of the total nominal share capital of the Issuer.

Morgan Securities (Asia Pacific) Limited and the Royal Bank of Scotland N.V., Hong Kong Branch entered into a placing agreement with the Issuer to place 1.5 billion new shares of Common Stock of the Issuer to certain independent third parties. Pursuant to a further subscription agreement dated May 5, 2011 (the “**2011 SPA**”) and a warrant agreement dated September 16, 2011 (the “**2011 Warrant Agreement**”) entered into by Datang with the Issuer, Datang purchased through HKCo on September 16, 2011 (i) 84,956,858 Convertible Preferred Shares at a price of HK\$5.39 per Convertible Preferred Share; and (ii) a warrant to purchase 16,991,371 Convertible Preferred Shares at an exercise price of HK\$5.39 per Convertible Preferred Share (the “**Warrant**”) pursuant to its pre-emptive right under the 2008 SPA. Pursuant to the 2011 SPA, Datang’s Convertible Preferred Shares were mandatorily converted into Common Stock at the then applicable conversion rate on June 4, 2012. On November 7, 2013, the Issuer issued US\$200,000,000 zero coupon convertible bonds due 2018 (the “**Convertible Bonds**”) which were offered and sold to six or more independent places and have been listed on the Singapore Exchange Securities Trading Limited on November 8, 2013. The conversion price will initially be HK\$0.7965 per share of Common Stock with a fixed exchange rate of HK\$7.7532 =US\$1.00. The conversion price will be subject to adjustment for consolidation, subdivision or reclassification of shares of Common Stock, capitalization of profits or reserves, distribution, rights issue of shares of Common Stock or options over shares of Common Stock, rights issues or other securities (other than shares or options), issue of securities at below the current market price, modification of rights of conversion and other offers to shareholders, subject to the terms and conditions of the Convertible Bonds.

At the completion of the 2014 Subscription, HKCo shall pay the Issuer the aggregate of the HK\$0.60 multiplied by 2,590,000,000 less the commissions relating to the placing described above paid to the placing agents by HKCo as set out in the 2014 Placing and Subscription Agreement and the costs and expenses properly incurred by HKCo in relation to the placing described above and/or the 2014 Subscription. Prior to March 3, 2017, the Issuer’s total issued and outstanding Common Stock increased as a result of the exercising of certain stock options and conversion of certain convertible bonds into Common Stock, which caused the percentage of shares held by HKCo to become 17.2% as of March 3, 2017, representing a decrease of 1.1% as compared to the percentage disclosed on the Form 13D Amendment 15 jointly filed by Datang and HKCo on November 27, 2015.
