## Safe Harbor Statements Under the Private Securities Litigation Reform Act of 1995

- 2

This presentation contains, in addition to historical information, "forward-looking statements" within the meaning of the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements, including statements under "First Quarter 2019 Guidance", "Capex Summary" and the statements contained in the quotes of our Co-Chief Executive Officers are based on SMIC's current assumptions, expectations and projections about future events. SMIC uses words like "believe," "anticipate," "intend," "estimate," "expect," "project," "target" and similar expressions to identify forward looking statements, although not all forward-looking statements contain these words. These forward-looking statements are necessarily estimates reflecting the best judgment of SMIC's senior management and involve significant risks, both known and unknown, uncertainties and other factors that may cause SMIC's actual performance, financial condition or results of operations to be materially different from those suggested by the forward-looking statements including, among others, risks associated with cyclicality and market conditions in the semiconductor industry, intense competition in the semiconductor industry, SMIC's reliance on a small number of customers, timely wafer acceptance by SMIC's customers, timely introduction of new technologies, SMIC's ability to ramp new products into volume, supply and demand for semiconductor foundry services, industry overcapacity, shortages in equipment, components and raw materials, availability of manufacturing capacity, financial stability in end markets, orders or judgments from pending litigation, intensive intellectual property litigation in semiconductor industry, general economic conditions and fluctuations in currency exchange rates.

In addition to the information contained in this presentation, you should also consider the information contained in our other filings with the SEC, including our annual report on Form 20-F filed with the SEC on April 27, 2018, especially in the "Risk Factors" section and such other documents that we may file with the SEC or The Hong Kong Stock Exchange Limited ("SEHK") from time to time, including current reports on Form 6-K. Other unknown or unpredictable factors also could have material adverse effects on our future results, performance or achievements. In light of these risks, uncertainties, assumptions and factors, the forward-looking events discussed in this presentation may not occur. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date stated or, if no date is stated, as of the date of this presentation. Except as may be required by law, SMIC undertakes no obligation and does not intend to update any forwardlooking statement, whether as a result of new information, future events or otherwise.

- Revenue decreased by 7.4\% QoQ from $\$ 850.7$ million in 3Q18 to $\$ 787.6$ million in 4Q18 mainly due to a decrease of wafer shipment in 4Q18.
- Gross margin was $17.0 \%$ in 4Q18, compared to $20.5 \%$ in 3Q18.
- R\&D expenses, net decreased by $\$ 18.0$ million QoQ to $\$ 135.0$ million in 4Q18, compared to $\$ 153.0$ million in 3Q18. Excluding the funding of R\&D contracts from the government, R\&D expenses increased by $\$ 12.8$ million QoQ to $\$ 185.1$ million in $4 Q 18$. The change was mainly due to higher level of R\&D activities in 4Q18. Funding of R\&D contracts from the government was $\$ 50.1$ million in 4Q18, compared to $\$ 19.3$ million in 3Q18.
