**CLARIFICATION ANNOUNCEMENT**

**Announcement of Unaudited Interim Results for the Six Months Ended June 30, 2011**

Reference is made to the “Announcement of Unaudited Interim Results for the Six Months Ended June 30, 2011” made by Semiconductor Manufacturing International Corporation (the “**Company**”) dated August 29, 2011 (the “**Announcement**”).

On page 1 of the Announcement under the “Financial Highlights”, it should have stated that sales increased by 0.4% from US\$720.1 million for the six months ended June 30, 2010 to US\$722.9 million for the six months ended June 30, 2011, primarily due to an increase in mask revenue to total revenue during this period as well as a significant change in China sales (instead of primarily due to increase in wafer shipments). Also, in the Chinese version of the Announcement, in the same paragraph, the Sales for the six months ended June 30, 2010 should be US\$720.1 million (instead of US\$702.1 million).

The clarifications in this announcement have no effect on the unaudited interim report of the Company for the six months ended June 30, 2011.
