ISSUE OF THE PLACED BONDS

On 24 October 2013, the Company and the Joint Managers entered into the Bond Subscription Agreement, pursuant to which each of the Joint Managers has agreed to subscribe and pay for, or to procure subscribers to subscribe and pay for the Placed Bonds to be issued by the Company in an aggregate principal amount of US\$200 million.

Based on the initial Conversion Price of HK\$0.7965 and assuming full conversion of the Placed Bonds at the initial Conversion Price, the Placed Bonds will be convertible into 1,946,817,325 Shares, representing (i) approximately 6.07% of the issued share capital of the Company on the Last Trading Day and (ii) approximately 5.72% of the issued share capital of the Company as enlarged by the issue of the Conversion Shares. The Conversion Shares will be allotted and issued pursuant to the general mandate of the Company granted to the Directors at the annual general meeting held on 13 June 2013 and will rank *pari passu* in all respects with the Shares then in issue on the relevant conversion date. The issue of the Placed Bonds is not subject to the approval of the Shareholders.

An application will be made to the Hong Kong Stock Exchange for the listing of, and permission to deal in, the Conversion Shares. An application will be made to the Singapore Exchange for the listing of the Bonds.

Completion of the Bond Subscription Agreement is subject to the satisfaction or waiver of the conditions precedent therein. In addition, the Bond Subscription Agreement may be terminated in certain circumstances. Please refer to the paragraph headed “The Bond Subscription Agreement” under the section “Issue of the Placed Bonds” below for further information.

PRE-EMPTIVE RIGHTS OF DATANG

Reference is made to the Company’s announcements dated 10 November 2008, 15 July 2010, 5 May 2011 and 24 October 2013 in relation to the Datang Subscription Agreement.

Pursuant to the Datang Subscription Agreement, in case of any issue of new Shares or securities convertible into Shares, subject to certain exceptions, Datang has a pre-emptive right to subscribe for a *pro rata* portion of such new securities being issued equivalent to the percentage of the issued share capital of the Company then owned by Datang immediately prior to the issue of such securities. Datang’s pre-emptive right is applicable to the issue of the Bonds and any Country Hill Further Subscription. Pursuant to the Datang Subscription Agreement, completion of any such issue of the Datang Pre-emptive Bonds to Datang upon exercise of its pre-emptive right will be further subject to the receipt of any required regulatory approvals. Any exercise by Datang of its pre-emptive right to subscribe for the Datang Pre-emptive Bonds in connection with the issue of the Placed Bonds and any Country Hill Further Subscription will be at a price equivalent to the issue price of the Placed Bonds (in the case of the Datang Pre-emptive Bonds) (after any adjustment made to reflect any difference in the initial interest payment due to any difference between the dates of issue of the Placed Bonds and the Datang Pre-emptive Bonds) and conditional on the obtaining of the necessary governmental approval and the obtaining of the approval of the independent Shareholders of the Company for any such Datang Further Subscription.

The Company has notified Datang in accordance with the terms of the Datang Subscription Agreement in respect of the issue of the Placed Bonds and the possibility of the Country Hill Further Subscription. Pursuant to the Datang Subscription Agreement, Datang is deemed to have elected not to exercise the pre-emptive right with respect to the Datang Pre-emptive Bonds if it does not respond to the final notice within ten (10) business days following the date of the final notice. As at the date of this announcement, the Company has been informed by Datang in a non-legally binding letter of intent that it was committed to exercising its pre-emptive right to subscribe for the Datang Pre-emptive Bonds, up to the number it is entitled to under the Datang Subscription Agreement based on terms and conditions that are substantially the same as the issue of the Placed Bonds. The Company will make such further announcement as is necessary under the Listing Rules in relation to this.

PRE-EMPTIVE RIGHTS OF COUNTRY HILL

Reference is made to the Company's announcements dated 18 April 2011 and 24 October 2013 in relation to the Country Hill Subscription Agreement.

Pursuant to the Country Hill Subscription Agreement, in case of any issue of new Shares or securities convertible into Shares, subject to certain exceptions, Country Hill has a preemptive right to subscribe for a *pro rata* portion of such new securities being issued equivalent to the percentage of the issued share capital of the Company then owned by Country Hill immediately prior to the issue of such securities. Country Hill's pre-emptive right is applicable to the issue of the Placed Bonds and any Datang Further Subscription. Pursuant to the Country Hill Subscription Agreement, completion of any such issue of the Country Hill Pre-emptive Bonds to Country Hill upon exercise of its pre-emptive right will be further subject to the receipt of any required regulatory approvals. Any exercise by Country Hill of its pre-emptive right to subscribe for the Country Hill Pre-emptive Bonds in connection with the issue of the Placed Bonds and any Datang Further Subscription will be at a price equivalent to the issue price of the Placed Bonds (in the case of the Country Hill Pre-emptive Bonds) (after any adjustment made to reflect any difference in the initial interest payment due to any difference between the dates of issue of the Placed Bonds and the Country Hill Pre-emptive Bonds) and conditional on the obtaining of the approval of the independent Shareholders of the Company for any such Country Hill Further Subscription.

The Company has notified Country Hill in accordance with the terms of the Country Hill Subscription Agreement in respect of the issue of the Placed Bonds and the possibility of the Datang Further Subscription. Pursuant to the Country Hill Subscription Agreement, Country Hill is deemed to have elected not to exercise the pre-emptive right with respect to the Country Hill Pre-emptive Bonds if it does not respond to the final notice within ten (10) business days following the date of the final notice. As at the date of this announcement, the Company has been informed by Country Hill in a non-legally binding letter of intent that it was committed to exercising its pre-emptive right to subscribe for the Country Hill Preemptive Bonds, up to the number it is entitled to under the Country Hill Subscription Agreement based on terms and conditions that are substantially the same as the issue of the Placed Bonds. The Company will make such further announcement as is necessary under the Listing Rules in relation to this.

LOCK-UP UNDERTAKINGS BY THE COMPANY, DATANG AND COUNTRY HILL

Each of the Company, Datang and Country Hill has given or is expected to give a shareholder lock-up undertaking in relation to the issue of Shares (in the case of the Company) or the Shares held by it directly (or through nominees) (in the case of Datang and Country Hill) for a period of 90 days to facilitate an orderly marketing, distribution and trading of the Bonds.

USE OF PROCEEDS

The gross proceeds from the issue of the Placed Bonds will be approximately US\$200 million.

The net proceeds (net of fees, commissions and expenses) from the issue of the Placed Bonds will be approximately US\$194.6 million.

It is estimated that, assuming Datang and Country Hill each exercise their respective preemptive rights in full, the net proceeds (net of fees, commissions and expenses) from the issue of the Placed Bonds, the Datang Pre-emptive Bonds and the Country Hill Pre-emptive Bonds will be approximately US\$281.4 million.

The Company intends to use the net proceeds (net of fees, commissions and expenses) from the issue of the Placed Bonds, any Datang Pre-emptive Bonds and any Country Hill Preemptive Bonds for the Company's capital expenditure used for capacity expansion associated with 8-inch and 12-inch manufacturing facilities and general corporate purposes.

LISTING RULES IMPLICATIONS

The Conversion Shares will be issued pursuant to the general mandate granted to the Directors to allot and issue up to 20% of the issued share capital of the Company, being 32,073,771,248 Shares, by the Shareholders of the Company passed at the annual general meeting held on 13 June 2013.

As each of Datang and Country Hill is a substantial Shareholder of the Company and thus a connected person, any Datang Further Subscription or any Country Hill Further Subscription (including any Shares to be issued on conversion of any Datang Pre-emptive Bonds and Country Hill Pre-emptive Bonds) will constitute a connected transaction of the Company and will be subject to independent Shareholders' approval under the Listing Rules. As at the date of this announcement, the Company has been informed by each of Datang and Country Hill in a non-legally binding letter of intent that it was committed to exercising its pre-emptive rights to subscribe for the Datang Pre-emptive Bonds and the Country Hill Pre-emptive Bonds respectively, up to the number it is entitled to under the Datang Subscription Agreement or the Country Hill Subscription Agreement (as the case may be) based on terms and conditions that are substantially the same as the issue of the Placed Bonds. The Company will make such further announcement as is necessary if any agreement(s) is/are entered into by the Company with Datang or Country Hill regarding the above matters.

Shareholders and potential investors should note that the completion of the issue of the Bonds are subject to the fulfilment of the conditions under the Bond Subscription Agreement. As the issue of the Placed Bonds, the Datang Pre-emptive Bonds and the Country Hill Pre-emptive Bonds may or may not proceed, Shareholders and potential investors are reminded to exercise caution when dealing in the Shares.

Pre-emptive rights of Datang

Reference is made to the Company's announcements dated 10 November 2008, 15 July 2010, 5 May 2011 and 24 October 2013 in relation to the Datang Subscription Agreement.

Pursuant to the Datang Subscription Agreement, in case of any issue of new Shares or securities convertible into Shares, subject to certain exceptions, Datang has a pre-emptive right to subscribe for a *pro rata* portion of such new securities being issued equivalent to the percentage of the issued share capital of the Company then owned by Datang immediately prior to the issue of such securities. Datang's pre-emptive right is applicable to the issue of the Bonds and any Country Hill Further Subscription. Pursuant to the Datang Subscription Agreement, completion of any such issue of the Datang Pre-emptive Bonds to Datang upon exercise of its pre-emptive right will be further subject to the receipt of any required regulatory approvals. Any exercise by Datang of its pre-emptive right to subscribe for the Datang Pre-emptive Bonds in connection with the issue of the Placed Bonds and any Country Hill Further Subscription will be at a price equivalent to the issue price of the Placed Bonds (in the case of the Datang Pre-emptive Bonds) (after any adjustment made to reflect any difference in the initial interest payment due to any difference between the dates of issue of the Placed Bonds and the Datang Pre-emptive Bonds) and conditional on the obtaining of the necessary governmental approval and the obtaining of the approval of the independent Shareholders of the Company for any such Datang Further Subscription.

The Company will make such further announcement as is necessary under the Listing Rules in relation to this.

If Datang fully exercises its pre-emptive right pursuant to the Datang Subscription Agreement, (assuming Country Hill also exercises its pre-emptive right in full and the Datang Further Subscription completes), the maximum gross proceeds of the potential Datang Further Subscription will be approximately US\$54.6 million.

Pre-emptive rights of Country Hill

Reference is made to the Company's announcements dated 18 April 2011 and 24 October 2013 in relation to the Country Hill Subscription Agreement.

Pursuant to the Country Hill Subscription Agreement, in case of any issue of new Shares or securities convertible into Shares, subject to certain exceptions, Country Hill has a preemptive right to subscribe for a *pro rata* portion of such new securities being issued equivalent to the percentage of the issued share capital of the Company then owned by Country Hill immediately prior to the issue of such securities. Country Hill's pre-emptive right is applicable to the issue of the Placed Bonds and any Datang Further Subscription. Pursuant to the Country Hill Subscription Agreement, completion of any such issue of the Country Hill Preemptive Bonds to Country Hill upon exercise of its pre-emptive right will be further subject to the receipt of any required regulatory approvals. Any exercise by Country Hill of its preemptive right to subscribe for the Country Hill Pre-emptive Bonds in connection with the issue of the Placed Bonds and any Datang Further Subscription will be at a price equivalent to the issue price of the Placed Bonds (in the case of the Country Hill Pre-emptive Bonds) (after any adjustment made to reflect any difference in the initial interest payment due to any difference between the dates of issue of the Placed Bonds and the Datang Pre-emptive Bonds) and conditional on the obtaining of the approval of the independent shareholders of the Company for any such Country Hill Further Subscription.

The Company has notified Country Hill in accordance with the terms of the Country Hill Subscription Agreement in respect of the Placed Bonds. Pursuant to the Country Hill Subscription Agreement, Country Hill is deemed to have elected not to exercise the preemptive right with respect to the Country Hill Pre-emptive Bonds if it does not respond to the final notice within ten (10) business days following the date of the final notice. As at the date of the announcement, the Company has been informed by Country Hill in a non-legally binding letter of intent that it was committed to exercising its pre-emptive right to subscribe for the Country Hill Pre-emptive Bonds, up to the number it is entitled to under the Country Hill Subscription Agreement based on terms and conditions that are substantially the same as the issue of the Placed Bonds. The Company will make such further announcement as is necessary under the Listing Rules in relation to this.

If Country Hill fully exercises its pre-emptive right pursuant to the Country Hill Subscription Agreement (assuming Datang also exercises its pre-emptive right in full and the Datang Further Subscription also completes) and the Country Hill Further Subscription completes, the maximum gross proceeds of the potential Country Hill Further Subscription will be approximately US\$32.2 million.

SHAREHOLDER LOCK-UP UNDERTAKINGS BY DATANG AND COUNTRY HILL

Each of Datang and Country Hill has given or is expected to give a shareholder lock-up undertaking in relation to the Shares held by it directly (or through nominees) for a period of 90 days to facilitate an orderly marketing, distribution and trading of the Bonds.

Listing Rules implications

As each of Datang and Country Hill is a substantial Shareholder of the Company and thus a connected person, any Datang Further Subscription and any Country Hill Further Subscription (including any Shares to be issued on conversion of any Datang Pre-emptive Bonds and Country Hill Pre-emptive Bonds) will constitute a connected transaction of the Company and will be subject to independent Shareholders' approval under the Listing Rules. As at the date of this announcement, the Company has been informed by each of Datang and Country Hill in a non-legally binding letter of intent that it was committed to exercising its pre-emptive rights to subscribe for the Datang Pre-emptive Bonds and the Country Hill Preemptive Bonds respectively, up to the number it is entitled to under the Datang Subscription Agreement or the Country Hill Subscription Agreement (as the case may be) based on terms and conditions that are substantially the same as the issue of the Placed Bonds. The Company will make such further announcement as is necessary if any agreement(s) is/are entered into by the Company with Datang or Country Hill regarding the above matters.

Reasons for and benefits of the issue of the Bonds

The Company is of the view that the issue of the Bonds represents a good opportunity for the Company to broaden its shareholder base.

Use of proceeds

The gross proceeds from the issue of the Placed Bonds will be approximately US\$200 million.

The net proceeds (net of fees, commissions and expenses) from the issue of the Placed Bonds will be approximately US\$194.6 million.
